

About Us

Our Mission

Brachfeld & Associates is a Creditor's Rights Law Firm founded in 1981. The Firm's mission is to "Recover Revenue Rapidly". The Firm specializes in subrogation, commercial and consumer collections.

Our Process

When B&A calls, the debtor listens! When a debtor receives a call from our Law Office giving them the legal alternatives should they not pay their debt, they have no alternative but to pay up, or expend their own time and money to defend themselves. Our legal staff will remind the debtor of the ramifications a lawsuit may involve, such as, depositions, liens, writs of execution and the waste of time and money spent on their attorney's hourly billings. They are better off to pay you what is owed.

Our Staff

Legal Collections is our primary business, therefore our only interest is to recover payment in an expeditious and amicable manner. To achieve this result, we are equipped with a legal staff who get results through personal contact with the debtor, and through state-of-the-art computerized systems. Our fee is based solely on results, not on the amount of time spent working on your account, nor on prolonged negotiations and mediation.

Our legal staff has the experience and knowledge to determine which procedure will facilitate the best results. Moreover, our experience serves to avoid situations that will increase debtor resistance.

Our Legal Staff has practical experience in the following areas:

- Subrogation
- Consumer Finance/NSF Checks/DDA Accounts
- Credit Card Portfolios
- Commercial and Industrial Collections
- Media/Advertising
- Medical Collections for Facilities and Providers
- Commercial and Home/Auto Insurance
- Consumer/Retail industries
